The Heart Project

About The Heart Project

The Heart Project is an extension of Foster + Heart, a local 501(c)(3) nonprofit, serving as an adoption matching agency that walks alongside both birth parents and adoptive families with intentional support.

By collaborating with our community and local partners, we are working to remove the financial barriers and complexities of adoption—making it possible for more families to say yes to welcoming a child into their home.

The Heart Project is more than a matching agency—it's a movement to create adoption stories rooted in dignity and love.

Introducing: The Heart + Sole Fun Run

The Heart + Sole Fun Run, happening this October, is a community-centered 5K event designed to raise critical funds for adoption costs. 100% of proceeds will go directly toward minimizing adoption expenses for families—including home studies, legal fees, and court costs.

Why Partner With Us?

As a sponsor, your business isn't just supporting a family-friendly community event—you're directly partnering with local families awaiting adoption. Your partnership helps us ensure that finances never stand in the way of forever. Together, we can make adoption possible for more families.

Join Us

Your sponsorship means more than visibility. It means belonging to a community that believes in love, family, and a future full of hope. We'd be honored to partner with you.

**Let's walk, run, and fundraise—
with Heart + Sole!**
